

Who We Are

LegalShield is a pioneer in providing legal plans for more than 50 years, and our mission has been a straightforward, practical approach. In a perfect world, you'd never need a lawyer, but in an unpredictable world it helps to have a team of lawyers on your side. LegalShield has made smart legal coverage simple — in the form of accessible, affordable coverage.

A Team Of Lawyers

LegalShield has a network of dedicated law firms across the United States and Canada made up of seasoned lawyers with an average of 22 years' experience. Our provider law firms provide legal protection to over a million members, even in covered emergency situations, 24/7/365 days a year.

Why LegalShield?

Legal coverage without the complexity because life can be unpredictable and the law can be complicated. LegalShield created a model for legal coverage in which you know exactly what you're getting and precisely how much you're paying for it. Once you sign up, you can sit back, relax and know you have access to an entire law firm.
